

BSA Newsletter

Hello and welcome back after the holidays!

After another lockdown, it is great to be back at school for the Summer Term. Due to ongoing Covid-19 restrictions, we haven't been able to hold our usual events to bring us all together and raise money for the school but we are really hoping that once restrictions are lifted on 21st June we can get back to normal again!

Even though we sadly haven't been able to run any events for a while, thanks to everyone's support in recent years and to the fantastic take up of the 100 Club this year, we have still be able to contribute to key projects / purchases made by the school so thank you all for your continued support!

UPCOMING EVENTS

We have been so disappointed not to have been able to run any events over the last year as we've missed getting everyone together and meeting all the new starters. However, if the relaxation of restrictions goes ahead on 21st June, we hope to be able to end this year and begin next with some great events! So fingers crossed!

Details of both events will follow once we know which restrictions will be lifted but for now please save these dates!

SUMMER BBQ

9th July 2021

SCARECROW TRAIL

9th October 2021

Recent Contributions

New Laptops

Recently, the BSA has donated £2500 towards new laptops for the school. These are now in school and are making a huge difference to the children's learning experience.

Easter Hunt

Before the holidays, the BSA provided carrots and creme eggs so the children could do an Easter Hunt. An egg-cellent time was had by all!

Christmas Party

Before school broke up for Christmas, the BSA contributed towards the class Christmas parties providing presents, crackers and fizzy drinks for everyone!
