

# BSA Newsletter

**Hello and welcome to the new school year at Bledington School!**

2019/20 was a strange year for the BSA, as for all of us, with the outbreak of coronavirus calling a halt to many of the events we had planned for the Easter/Summer terms. Despite this we managed to fit in some fantastic fundraising events in the first half of the year. Thank you to everyone who came to and helped out with the various activities and events.

Even without being able to hold the Summer BBQ and the

Chocolate Bingo Evening, we still managed to raise a truly fantastic amount of money to go towards school supplies, activities and equipment - and had a lot of fun in the process! This money is going towards: a shade structure for the infant pod as well as various workshops for the different classes.

## 100 CLUB NUMBERS STILL AVAILABLE - ONLY £12 PER YEAR!!!

Every month, each of your numbers has the opportunity to win £5 when four numbers are drawn and three times a year one number is drawn for a major prize of £100 at Christmas, £75 at Easter and £75 during the Summer Term.

Please send payment into the School Office FAO 100 Club for your chance to win!

## Upcoming events

At the moment we have had to put a hold on our planned events, however as soon as we are able we will be back with many more fun-filled events for children and parents!!!

### Children's Disco

The ever popular back to school disco returned on 4th October for infants and juniors. It was a great evening with the parents' social and honesty bar also very popular!

### Wreath Making

On 4th December we held our annual sell-out wreath making evening - lots of festive fun was had by all!

### Spring Raffle

Before lockdown, we managed to squeeze in the BSA Spring Raffle which proved, as ever, to be our biggest fundraising initiative of the year - thank you to everyone who bought and sold tickets!
